Lussier Family Heritage Center, 3101 Lake Farm Road, Madison
A learning day for providers and parents of children with disabilities in Dane County

What is KIDshare all about? KIDshare is an annual learning event to bring together people who work with children with disabilities. It's a time to be informed, challenged, and excited by new ideas for supporting kids. This is an opportunity to talk with others who do the same work you do.

Including Kids! The goal of this first Dane County KIDshare is to share innovative ideas and projects that enhance the full participation of youth with disabilities in meaningful school, work and community activities by creating opportunities for natural supports.
